

GLOBAL RESOURCES

Empowering Your Business

WHEN REACH IS THE KEY TO SUCCESS

"It's all about people. It's about networking..." - Mike Davidson

This cannot be more true than in business.

As the world scales up this unprecedented global economic advancement, it has become all too clear that the fastest way to business growth is surrounding yourself with good business associations – ones that ease procedures and oil your operations towards success!

What about a business associate that provides you every contact, every link, and every piece of information you may possibly need to succeed in the increasingly cut-throat UAE market?

GLOBAL RESOURCES empowers you!!!

WHETHER YOU'RE JUST STARTING OR SPEEDING UP ON HIGH GEARS...

GLOBAL RESOURCES has got you covered!

Established in 2002 to give business people a more convenient way of setting up in the robust UAE business environment, GLOBAL RESOURCES took on the task of consolidating the only Freezone Directory in the United Arab Emirates - a prestigious and unique annual publication synonymous with the organisation for the past five years.

With the growing demand for updated statistics, accurate data, and the latest information about global business and investments, Global Resources carved a niche in the field of data procurement and dissemination. Today, Global Resources is relied upon in the business world to fill an information gap in the emerging Gulf markets.

Having gained a distinguished reputation in the field of data procurement and dissemination among its growing clientele in the UAE Free Zones and abroad, Global Resources has since moved on to empowering business people through an even faster tool – the web. Via this powerful portal **uaefreezones.com**, business people now have, at their fingertips, access to invaluable services – whether in advertising, marketing, events management, or even real estate!

MULTIFARIOUS ACTIVITIES

For many satisfied clients, both local and overseas, Global Resources has been the one-stop resource service company for business formation and operations in the UAE.

At present, **Global Resources' core competencies include:**

- Publication: The Golden Rainbow UAE – Free Zones Directory
- Business Consultancy: for UAE Free Trade Zone
- Real Estate Consultancy
- Advertising & Marketing
- Biz Net: Online Business Networking between free zone companies
- Events Management: Exhibition, Conferences & Seminars
- Promotional Marketing Services (Corporate & Promotional Gifts, Promotional Stands Designing & Construction, and Digital Printing)

Publication: The Golden Rainbow - UAE Free Zones Directory

The annual UAE Free Zones Directory, Global Resources' banner project, is the only business directory of its kind in the UAE. An indispensable guidebook, it may be considered a manual for UAE business. Supported by the UAE Ministry of Economy and Planning, the UAE Free Zones Directory is a comprehensive listing of over 17,000 companies in the various free zones in the country. It provides an overview of investment opportunities, as well as business policies and registration procedures in each of the free zones. It carries updates and reports, as well as growth projections and industry prospects submitted by the free zones themselves.

The annual UAE Free Zones Directory enjoys a wide circulation, both in the UAE and abroad. A vast resource of information, each edition is a much anticipated publication among loyal patrons.

REAL ESTATE CONSULTANCY

With the UAE's economic prosperity firing up its real estate industry since the introduction of the concept of freehold properties in 2001, Global Resources has ventured into real estate brokerage and is now serving a growing number of investors interested in securing prime locations in the UAE.

Aside from direct links to property developers, Global Resources' business networks give us an insider's privileged pre-sale and resale information. This market edge enables Global Resources to come up with helpful videos and presentations on real estate properties offering clients mature insights on the Dubai property market and help forecast return of investment.

ADVERTISING & MARKETING

Global Resources uses Web and Print Media Advertising to position clients at the forefront of the local market.

Whether the client comes with a prepared advertisement page, copy or, merely an idea, Global

Resources is prepared and equipped to translate the need for business promotions into a full-fledged ad campaign.

Clients with specific needs, such as company profiles, brochures and hand outs are taken care of by the professional services of Global Resources' Publishing Department.

Biz Net – online business networking between free zone companies

Uaefreezones.com

uaefreezones.com is Global Resources' web portal that provides a comprehensive range of information related to UAE free zones. It is the only web-based entity that systematically groups together all the free zones in the UAE and empowers visitors to access relevant information on the UAE, as well details of its free zones.

uaefreezones.com is registered with all the major search engines like Lycos, Google, MSN, Yahoo.com, Yahoo Web Pages, Hotbot and Exactseek, Altavista, Excite, Netscapesearch, Rediff, Alltheweb.com and many more giving it search results ranking between 1 – 5 in all these search engines. Being the umbrella business portal of UAE Free Zone companies, uaefreezones.com is supported by the UAE Ministry of Economic Planning and FEMOZA (World Federation of Free Zones), assuring readers of qualified and official information.

BIZ NET

BizNet, short for Business Networking, is Global Resources' online community exchange platform for the over 12,500 UAE Free Zone companies. As an online business networking wizard, BizNet connects clients to people, data, and services within the UAE Free Zones that are otherwise, isolated from each other. By simply uploading pertinent details such as company profile, product and specifications, brochure, links, press releases, event calendar, and business classifieds onto the portal, Biznet members gain real-time access to every member's products and services and vice versa.

With Biz Net, a member organization is not only available 24 hours on the net but also secures the uaefreezones.com's daily internet traffic of about 3,000 clicks and 2,000 new visitors each month! The growing popularity and international recognition of the various UAE free zones can only translate to bigger market exposure with each passing day.

Clients can avail of Biznet's exciting features:

E-Brochure Manager	Upload your company brochure online.
Business Forum	Meet all companies in the UAE Free Zones, exchange business leads, gain new Markets and avail of online marketing.
Link Manager	Exchange links and banner advertisement.
Control Panel	Set and modify user details.
Event Calendar	Set calendar according to events and schedule (personal and public).
Product Manager	Upload pictures of your products and services online.
Classifieds Manager	Post all your business needs in the buy-and-sell board.

Events Management: Exhibition, Conferences & Seminars

Global Resources is experienced in staging exhibitions, seminars and business conferences, which have been productive tools in creating business-to-business interactions. With confidence rooted in corporate competence and the use of the latest tools of the trade, Global Resources' themed conferences and exhibitions have addressed sufficiently the market players' need for fresh ideas and business network expansion.

The types of events we handle range from small-scale to mega-mixed exhibitions with thousands of participants. From budgeting to financial closing, accommodation and transportation, Global Resources takes care of every minute detail.

Promotional Marketing Services

Committed to being a one-stop business resource company, Global Resources has recently opened its Promotional Marketing Services Department to address the clientele's growing demand for assistance in their promotional activities.

Global Resources' promotional marketing services include:

- Promotional and exhibition stands designing and construction
- Digital printing for brochures, pamphlets, banners and all related corporate and promotional materials
